

There is an old saying that "It Takes a Village". Often people want to volunteer or to get involved, but they don't know where to go or how to get started. Well, we have great news! We have many talented people who are willing to help; unfortunately, we don't know who you are, so won't you help us learn about you by filling in this survey and returning it to the church office by Wednesday, January 23rd? (you can also drop it in the offering plate on Sunday morning.)
