Welcome & Greeting

Rev. Ronald Greene

Call to Faithful & Holy Conference *from "Eight Principles of Holy Conferencing" by Bishop Sally Dyck*

*We United Methodists conference together – meaning that we confer with each other in order to find our way forward as disciples of Jesus in the world today. In all aspects of church life, we have to decide how to organize our ministries, how to apply our faith to complex and contemporary matters, how to spend money, and even what it means to be a follower of Jesus. When we all come together, there are many different perspectives and opinions about each one of those decisions and lots of emotion, because the decisions matter to us.*

**So as we gather today, let us seek the presence of the Holy Spirit through whom we are reminded, taught, called, gifted, and unified.**

Opening Prayer

Gary Slagle, Lay Leader

Lectio Divina with Galatians 3:26-28

Read 3 times: in Common English Bible, in NRSV, and in "The Message"

Message and Reflection

*Small-group reflections about race from the perspective of our Christian faith.*

*What is the role of the church in learning about the races and creating the beloved community of Christ?*

*How is the church meant to be different as we engage the topic of race?*

*What would God have us do next in ministry to "see" others as our brothers and sisters?*

Closing Reflection (*BOW p. 436*)

District Superintendent Rev. Darneather Murph-Heath

*Rev. Dr. Martin Luther King Jr. said, "We are caught in an inescapable network of mutuality tied in a single garment of destiny. Whatever affects one directly affects all indirectly"*

**Therefore, let us pray that we may see nothing in isolation, but may know ourselves bound to one another and to all people under heaven. Amen.**

Dismissal and Blessing

## **Welcoming Ministry**

*submitted by Douglas Literski, 2015 Welcoming Ministry Chair*

The primary goal of the Welcoming Team is to make a connection with a new person or family entering the church for the very first time. When they leave our service they should feel that they have a friend that they can immediately connect with when they return to our church the next time. We try and remember the first names of our new faces, so that when they return we can greet them as a friend. The person on the team who has made a connection on Sunday morning, follows up with a hand written card to the new person. We also determine when it is appropriate to ask our new people if they would like a nametag. We are sensitive to not pushing our church on anyone, and rejoice when they smile and say, 'yes, I would like a nametag'.

## **Membership Nurturing**

*submitted by Kim Aupperle, 2015 Membership Nurturing Chair*

Membership Nurturing for 2014-2015 has been successful in many ways. Some of the needs for members have included serving the community; for instance, Perry Elementary-serving alongside with students and staff passing out food items to families in need; making crafts with children in the Kids Tent at the annual Lake in the Hills Summer Sunset Festival; and packing 200 meals for two food pantries at the CARDUNAL Crop Walk Rally. Other needs included caring for members who've fallen ill with prayer, cards and meals brought to them during their healing time. Also, new members joining the church were introduced and welcomed with prayers, gifts and open arms into their new church family, inviting and encouraging them to serve alongside their new church family. In conclusion, we strive to be the "love, care and serve all, as Jesus taught us to do". We stand together in welcoming all with:

Open Hearts- Accepting to all with Christ's love  
Open Minds- Open minds to all in their faith walk  
Open Doors-Welcoming to all people

May God Bless Christ United Methodist Church to thrive  
as we serve the community and each other as Jesus taught us to do.

*Speaking to one another with psalms, hymns, and songs from the Spirit. Sing and make music from your heart to the Lord, always giving thanks to God the Father for everything, in the name of our Lord Jesus Christ.* (Ephesians 5:19-20 NIV)

#### Administrative Board Report for 2014 Church Conference

*Submitted by Debbie Thomas, 2014 Administrative Board Chair*

In February 2014 the Ad Board met for a day workshop that centered around how to get volunteers and keep them, to interest them in our activities without overwhelming them. We talked at great length about getting to know the person on a more personal level before signing them up to be placed in a position as well as being up front about all of the things the positions require. We also heard from each leadership team about their 2014 goals and directions.

We have worked on a decision to make some physical changes to our building to help us celebrate our 25 years of the life of this congregation. We look forward to the new changes and opportunities for outreach that they will enhance both within our congregation and the community.

We have decided that moving forward into 2015 we will begin a year round Stewardship Campaign to share what this faith means to us and encourage others to pass on the blessings. It is so fitting as we celebrate 25 years of CUMC.

I look forward to another year of leading this congregation as the Ad Board Chair and pray for Gods continued guidance as we move forward with His work.

## Children's Education

Vacation Bible school was held in July, theme of Everest. Kids learned how to conquer challenges with God's mighty powers. The program lasted a week with a closing celebration with families.

## **Prayer Shawl Ministry**

*Submitted by Katy Spooner, 2015 Secretary*

Helping Hands is the Prayer Shawl Ministry at CUMC. We provide handmade shawls, cross stitch bookmarks and prayer boxes that have been prayed over by our group. Upon request, these are presented to family members, friends and neighbors of our community during challenging times in their lives.

In 2015 we have given 23 prayer shawls – 12 of those were given to Advocate Sherman Hospital in Elgin. We gave cross stitch book marks to CUMC Confirmation graduates. We have also given out care boxes which contain small wrapped gifts with biblical sayings to open daily during a difficult time. Prayer boxes constructed by our members are offered to new members and those visiting our church. Information on our group was given out (leaflets) at the LITH Sunset Festival September 5<sup>th</sup>.

We meet on the second Monday of each month except July and December. We generally have 8 or more women attend as we conduct our meeting, work on our projects, and enjoy coffee and treats. We also have some ladies who make shawls, but are unable to attend our meetings; for these shawl donations we are very grateful. We collect a donation from each member and a portion of that money was used as a \$50 donation to the “Imagine No More Malaria” campaign.

This is a special ministry that offers us the opportunity to meet and to help out other people who are suffering and need God’s healing touch. If you are interested in crocheting, knitting, or cross stitching, we would welcome anyone to join us. We will be happy to help you get started. The love of this church is far reaching and the Christ United Methodist Church flame shines around the world through the Prayer Shawl Ministry.

## **Stephen Ministry**

*Submitted by Linda Mullen, 2015 Stephen Leader*

**Stephen Ministry – a ministry of care.** Christ Church has a very dedicated group of Stephen Ministers. We gratefully welcomed a new trained Stephen Minister to this team in December of 2015. The training consists of 50 hours in the classroom and at home study. Once commissioned, each Stephen Minister also attends a monthly meeting which typically includes our on-going training component. An important element of this ministry is that we make a covenant of confidentiality while providing a one-on-one listening ear. Pastor Ron has joined this team and will be an integral part of making sure our congregation is served.

Care receivers do not get a fix or solution from their Stephen Minister. We leave the "cure giving" to God. We do, however, provide each one with support and prayer as they face difficult situations. Some care giving relationships are short-term and others take more time. The Stephen Minister meets the needs of the care receiver.

A goal for the coming year is to be sure our congregation is aware of what this ministry is about. We hope to increase the number of people using the services of a Stephen Minister and the number of trained Stephen Ministers. God gave all of us gifts and we are very privileged to be able to serve God through this ministry.

## **Worship Design Team**

*Submitted by Peggy Literski, 2015 Worship Team Leader*

This team collaborates with the Pastor to plan, design, enhance, support, and inspire the worship experience with meaningful music, creative presentations, décor, and anything else that evolves from the dialog between the Pastor and the Team members.

The typical process is to meet with Pastor on a 2-3 week basis and discuss his ideas/theme for his messages for as many weeks in advance as he can provide. This discussion is usually very lively and inspirational as everyone offers ideas for various ways to support the message perspective with music, videos, dramatic reading, skits, décor, and often surprises. *It really takes a village!!!!!!*

Advent and Lent seasons are exciting and we like to do very outrageous themes with the decorations and music to get the most impact. This requires (much) advance planning to be successful. Lent is very challenging, since traditionally we have services on Ash Wednesday, Maundy Thursday, Good Friday, and especially Easter Sunday. Typically there is a theme for the whole 6 weeks that evolves with something different but connected each week, with conclusion on Easter.

Music is a critical element to the worship experience and we try to relate the songs to the message in a way that supports and inspires the theme. The Praise Team/Sound Team are all very committed to this endeavor and make this their personal ministry. We use contemporary music with a variety of other flavors woven in to relate to the theme. Special music is often used for offering time, during communion, and any other time!!!!!!

We are here to make exciting things happen and make Jesus smile!!!!!!

# Report of the Clergy

## Pastor's Report

*Submitted by Pastor Ronald Greene*

### The Balcony View

This is an ongoing time of transition for this pastor and this church. A message I took from the Transition Workshop was that, generally, pastors will experience the same quality of welcome as will any newcomer to that setting. I'm delighted to report that my introduction to this church was the most welcoming experience I've ever known. Likewise, the first new family that arrived in my early weeks reported the same delight at the quality of welcome they experienced.

Carry on, Christ, UMC! You go, church! Continue to perfect what you already do so well. Welcome the stranger just as you, who once were strangers, have been welcomed. Continue to perfect your outreach. There are so many strangers in this far northwest suburban sprawl who are hungry and thirsty for a spiritual home where they can feel appreciated for who they are, no matter their background. Let what is in your DNA continue to grow in Christian maturity. Keep refining your culture of welcoming. Study to perfect your culture of retaining and integrating new members into your shared and vibrant life.

I have tremendous appreciation for this congregation's strong lay ministry with its rich history of "Walk to Emmaus" involvement (over 38 souls from CUMC have attended). In addition this small body is blessed with three Lay Servants, numerous Stephen Ministers, a powerful worship and praise team and tech crew and web masters, church officers and leaders and volunteers who are highly qualified and caring and committed, and a church secretary who serves with professional excellence.
