

We have received a wonderful donation from the Huntley Culver's. Please find time to thank them by completing the bottom portion of this flier and taking it to Culver's.

For the past few years, our church has partnered with Culver's in Huntley. Our part was encouraging you to invite friends and family and purchase a meal or a delicious treat. Volunteers from our congregation served food, carried your purchase to your car and cleaned tables. Our church received 10-20% of the gross sales between 4 and 8 pm on our "Monday" in April and July. The actual percentage depended upon the total income during the time we worked. Much to our surprise, we received a check last week for \$349.08. We did not ask for this...they mailed us a check. The church Mission Team would like you to personally thank the franchise owners of Culver's by visiting them in July. Please cut out the form below and complete the blank. **Encourage others in your family to sign the form as well, and then hand them this form with your form of payment. If possible, place the completed form in an envelope so it does not get misplaced at Culver's.**

Cut on the dotted line below, complete the thank you note, and take it to the Huntley Culvers located at 12950 S. Illinois Route 47. (At intersection of Rt 47 and Powers Road.)

To: The Huntley Culver's Team

Thank you so very much for contributing to our church in June. Our church has used our two Culver's fundraisers, along with bake sales and other projects to raise money for local missions. I have enjoyed attending these. Our church is located next to the Huntley Fire Department station on Algonquin Road, but we have an Algonquin address.

As part of the congregation of **Christ United Methodist Church**, I want to personally thank you for donating \$349.08 to us. Covid-19 has certainly had a negative impact on your business, and I want to thank you for supporting the local missions of our church.

Sincerely,
